Big Win!

Dear Fellow Rural Caucus Members, Congratulations and cheers! I am so proud and excited that the Clean Drinking Water Fund is headed to the Governor's Office and urgent implementation. Thank you for every call and email that you sent urging our elected to do the right thing.

It is especially important that SB 200 includes accountability and transparency measures. We need to keep an eye on this to be sure the number of Californians without safe water begins and continues to decline county by county.

I especially want to thank Phil Gross for doing such a great job working with key Senators, Assemblymembers and their staffs so diligently, beginning with our first meeting January 2 with Sen. Mike McGuire.

Special thanks (from all of us) go to Sen. Monning (Monterey) for maintaining the flame for two plus years and the Governor for making it one of his earliest vows for our rural communities.

Thank you, congratulations and cheers!
