## Agenda and Consent Calendar

---

Dear Fellow Rural Caucus Members, I am pleased and proud to send you our [Agenda](#) for our May 31 meeting in San Francisco along with a [Consent Calendar](#) for your consideration.

The Consent Calendar includes three recommended positions on pending legislation regarding two of our cornerstone issues – [clean drinking water for all and broadband equity](#), plus three resolutions authored by Rural Caucus members, which I hope we will unanimously support.

Gentle reminder to please renew your membership [on-line](#). It is so much easier than standing in line. You must be a member in good standing to vote in the Officer Elections. Also, anyone interested has until May 29 (48 hours prior to our meeting) to run as a write-in candidate, by notifying our Elections Official **Mike Smith**.

We will also be voting to ratify our amended [Bylaws](#).

I apologize in advance for possible duplicate emails. The Party has switched to a new way of updating our roster as on-line sign ups come in, so I want to make sure I have included everyone.

Our meeting is scheduled for 4:45 (doors will open at 4:30), room 204/205.

I look forward to seeing you in San Francisco.

Until then,
